

Frequently Asked Questions about Marshwalk Plaques

How much do the plaques cost?

There are 3 sizes. A 4 x 6 size costs \$350. A 4 x 8 costs \$700, and the 4 x 12 costs \$1000. A portion of each is tax-deductible as a donation to our nonprofit organization.

Can I designate where to hang my plaque?

Yes, you can tell us where you would like it to be hung on the order card. Some people indicate behind "such and such restaurant" or others get more specific indicating "next to such and such plaque". We do not move or rearrange existing plaques for new ones. The very end of the pier walkway is reserved for Veterans of the Crash Boat Station.

How many letters or words can I put on the plaque?

4 x 6 plaque- maximum 4 lines, 29 letters and spaces per line

4 x 8 plaque- maximum 4 lines, 37 letters and spaces per line

4 x 12 plaque- maximum 5 lines, 58 letters and spaces per line

If in doubt, submit your plaque request and we'll send you a proof. You can add or subtract letters after you see how it is laid out. We do not process the plaque to be cast until you have signed off on the proof.

Can I add a special emblem? (ex. wedding ring, musical note, golf ball)

1 (4 x 6) -2 (4 x 8 or 4 x 14) emblems can be added onto the top sides of the plaque. Let us know what you are thinking of and we will make sure the image can be cast. One emblem will add \$150 to your plaque, 2 emblems add \$225.

In the marsh scene logo standard?

Yes, all plaques are cast with the logo centered near the top, and the text below.

How does the process work?

Return the completed order form card along with your payment, cash, check, Visa or Mastercard. Please make checks payable to Murrells Inlet 2020. Fax, mail or drop them by the MI2020 office at 4124B Highway 17 Business across from Spud's restaurant. Call first to make sure we are in at 357-2007. Within 2 weeks or so, you will receive a proof for your correction or approval. Once we have received your signed approval, it will take 5-6 weeks to cast the plaque, and get it hung on the Marshwalk. We will contact you when the plaque is hung.

How do I care for my plaque?

You can do nothing and plaque will age over time due to exposure to the salt air. We recommend twice a year washing it with soap and water, then waxing it with Johnson's Paste Wax, then buff. This process will help to slow down oxidation; aging will occur in the salt air.

For more questions, call Murrells Inlet 2020 at 843-357-2007,
fax 843-237-2913 or email at info@murrellsinletsc.com.
